Brown Tailed Moth infestations

This very hairy caterpillar is a pest and, if handled, can cause a severe rash and breathlessness.

Wikipedia has good online information.

Also see www.swale.gov.uk which recommends pruning and burning this time of year.

Crime in our area

Criminal activity in our area is mainly garages and sheds being broken-into, especially where top of the range, expensive bicycles are stored. Use good locks for bikes, garages and sheds.

Thefts from motor vehicles has increased across Poole. Leave nothing on display, remove all valuables and always lock the vehicle even if it is parked off the road on a drive.

See full crime figures online at www.police.uk
