## Cybercrime Event

Saturday 27th June, 10am - 12noon

Savoy Hotel, West Hill Road, Bournemouth BH2 5EJ

Neighbourhood Watch and Dorset Police invite you to a FREE 'Cybercrime' event for  
National Neighbourhood Watch Week

The threat of cyber attack from criminals is real. You cannot see them, but the risks they pose are huge. They operate plausible websites, sometimes offering fantastic deals to lure unsuspecting internet users. These criminals entrap their victims to steal their personal data, often without their knowledge, in order to make a financial gain.

Cyber fraud is big and it is important to understand the threat and know how to stay cyber safe.

A programme of speakers will begin at 10.30am and there will be a small 'marketplace' of stands giving free advice on cyber security, how to protect yourself and be cyber aware.

Get smart! Be cyber savvy!

Complimentary Tea & Coffee will be provided

Everyone welcome
